

ENABLING THE ANALYSIS TOOLPAK IN EXCEL 97 - 2003

1. Open Microsoft Excel. From the Tools Menu, select Add-Ins.

2. In the menu box which appears, check the top two options – Analysis Toolpak and Analysis Toolpak VBA – then click OK.

Note: At this point You may be asked to insert the original office CD's. This will only occur if the Add-Ins were not included as part of the initial installation of Microsoft Office.

The Analysis Toolpak is now enabled. You can now make full use of the Excel resources on the Random Masters® website.
